

**VALUES-Grand final of Grace series**  
**Understanding Grace in terms of values**

Liberty without limits is disobedience in another dress

Some people use grace as an excuse to live as they please

The old covenant of law is over

But God is not finished with the Jew the new covenant was first to the natural olive branches. You as a wild olive has been grafted in.

Q-What law was Joseph keeping when he would not lay with Potifer's wife?

Could it be one of the Ten Commandments?

A-this was 600 years before Moses, who brought down the commandments. There was no 10 commandments

We are talking about values and principles and Joseph was a man of value, before there was law there was principles

Gravity was in place before the 10 commandments of the bible and it is still in place

It is important to differentiate between principles and law and the law  
If you believe sincerely that gravity will not work, but you are sincerely wrong because it still works

Sowing and reaping is not a law of God it is a principle and it does not matter how sincere you are, even though God said test me in this, my advice is don't test God in the negative

Tithing is a principle

We all struggle from time to time but if your life is one ongoing struggle

Check your giving and transparency

It is not a freedom to be stingy but a bondage

God wants you free in every area of your life, grace will set you free

Two whales got trapped by ice in Alaska thus it tried to freeze up there blow hole's. The Eskimo's sent in Screw tractor, skycrane, helicopter to break the ice and thus this crisis caused everyone to work together concerning this and took their attention off the election cold war between Russian and America. It was Russia's icebreaker who came to the rescue flying both the American and Russian flags.

There are different areas of bondage, some are free in one area but bound in another. You may be free from lust, free from addiction, free from pride but in financial bondage, sowing and reaping is not a law but a principle.

Once you start to sow you break the power of the other bondages  
Sowing is a master key that brings freedom in every area

Jesus paid the price for your total freedom not partial freedom,  
Our job is to free people the Spirit's job is to restrain them

Gal 5:1 For freedom did Christ set us free: stand fast therefore, and be not entangled again in a yoke of bondage.

Quite simply grace gives us a choice we never had

Rom 6:15 So, since we're out from under the old tyranny, does that mean we can live any old way we want? Since we're free in the freedom of God, can we do anything that comes to mind?

IF GOD EXTENDS SO MUCH GRACE SHOULD WE NOT BE  
EXTENDING GRACE ONE TO ANOTHER  
SO WE GET VERTICAL GRACE AND HORIZONTAL GRACE

ITS OUR JOB TO ACCEPT OTHERS ITS GODS JOB TO DIRECT  
THEM

THE CHURCH IS IN THE CONSTRUCTION BUSINESS NOT  
DESTRUCTION

IF I CAN CLOSE WITH THIS GOD EXTENDS GRACE OUT OF  
A HEART OF LOVE  
I CLOSE THIS SERIES OF GRACE BY ENCOURAGING YOU  
TO LOVE ONE ANOTHER.

Joh 13:35 By this shall all men know that you are my  
disciples, if you have love one to another.
